

CAMPFIRE COFFEE LIQUEUR

Sarasota-born Campfire Coffee Liqueur is created from a home-made recipe that is all-natural and gluten-free. The flavor profile offers a medium Colombian coffee flavor while allowing the vanilla, sugars and caramel flavors to shine through. The most common reaction from people tasting it is “that’s so smooth”. This liqueur is extremely versatile as it can be enjoyed on the rocks, in your coffee or mix with so many different liquors. Our signature drink ‘The Camptini’ is a martini with Irish Cream and toasted coconut rum.

40-proof / 20% ABV / 6x distilled corn-based vodka & distilled in Ft. Myers, FL
